

## OFFICIAL ANNOUNCEMENT

August 15<sup>th</sup>, 2020

Dear Athletes and Challenge Cancun Family,

I want to take this opportunity to thank each and every one of you for being part of this family. It is thanks to you and your passion for the sport of triathlon that we are able to host an amazing event in such a spectacular venue.

We, the staff of Challenge Cancun, are triathletes like you, and we are abundantly aware of the importance sports and competition play in our lives, especially during such uncertain times. It is paramount for relieving stress and maintaining a positive mindset, as well as a healthy body. We are all anxious to get back to our passion, yet the uncertainty of the global situation continues to force us to adapt and readjust.

After many discussions with local authorities, exploring every option, we find ourselves forced to announce the postponement of Challenge Cancun 2020. Due to the nature of the event, we are unable to meet all of the new protocols and laws that will ensure the safety of everyone.

The uncertainty of what to expect within the coming weeks and months is too much and we consider it to be of much benefit to all of you to make the decision with enough time, taking into consideration the lack of training most of us have experienced as well.

All of the athletes registered up to the date of this announcement are officially confirmed for the new date, May 2<sup>nd</sup>, 2021. Please stay tuned to our social media @ChallengeCancunOficial on Facebook and Instagram where we are keeping updated information constantly.

Again, please receive our heartfelt thanks. Stay strong, stay healthy.

Sincerely,

Carly Casarrubias  
Race Director
